

The Mexican Beer Experience

Departs Tuesday and Fridays at 5:00 pm

\$75 USD (includes ticketing and credit card processing fees)

The Mexican Beer Experience tour is perfect if you're looking to have a great time in Puerto Vallarta while exploring the local scene with friends, family, wedding parties, corporate retreats and others.

On the tour you will learn about Mexico's emerging craft beer scene and support Mexican brewers. Sample up to 12 beers only found here in Mexico and visit 4 local establishments over 3.5 hours. Taste artisanal beers, micheladas, tequila infused beer, and eat some tasty bites along the way.

We recommend taking our tours at the beginning of your stay in Puerto Vallarta. That way, you'll be able to return to your newly discovered favorite spots during the rest of your visit!

Please remember that this tour is for a maximum of six people (though special accommodations can be made for private groups), is offered 2 nights per week and, as a

result, sells out quickly. Don't wait, reserve your spot today.
